Ecoflask focuses on providing customers with innovative hydration. We separate ourselves into two product lines. Our Blast Flask offers people who struggle with controlling their diet a healthier alternative to hydration. Our mission is to provide reusable healthy hydration options as an alternative to sweetened drinks. This is achieved by creating hydration flasks that provide two options for our customers. Ecoflask is appealing to environmentally conscious individuals seeking healthy lifestyles. We offer our customers high-end products at moderate prices.

# New Flavors!

A new month calls for a new set of sweet and juicy flavors! Starting this November, we will now welcome the following flavors: strawberry, watermelon, lime, and peach tea. These new flavors are sure to make your drink POP! They will now be available for purchase on our website.

## NOVEMBER

### Employee of the Month

We would like to take a moment to congratulate Michael Lopez, Chief Executive Officer of Ecoflask, for winning employee of the month for November. Michael is a hard worker who constantly goes above and beyond to keep his company on task. Through these tough times his main goal has been to continue improving Ecoflask. As well as making sure Ecoflask grows and becomes successful.

Michael Mesa Lopez

Chief Executive Officer of Ecoflask
