

HELIOTECH

**PRODUCTS CATALOG
2019**

A bright sun in a blue sky with white clouds. The sun is in the upper left corner, casting rays across the sky. The clouds are scattered and fluffy, filling the lower and right portions of the frame.

CHARGE UP WHEN THE SUN'S UP

HelioTech provides solar powered portable charging devices for all your charging needs. We are sure to provide you with the best portable chargers out there.

TEAM HELIOTECH

COMPANY MISSION

As the world continues to evolve, technology continues to improve and have advance. With the limited supply of fossil fuels, the best way to continue to evolve is solar technology! Our mission is to develop innovative, convenient, and eco-friendly products. Our products allow customers to charge their devices while on the go.

POWER BANKS

POWER BANKS

24000mAh High Capacity: Built-in high efficiency lithium polymer battery.
Larger Panels and Fast Charging: This solar power bank is equipped with 3 solar panels, making it charge itself quickly in sunlight, which is 3-5 times faster than the other solar chargers, suitable for hiking, camping and other outdoor activities. Detects the current of access devices to match the best output, safely protecting your devices from over current, over voltage, short circuit, etc. The ports are protected by the cover, making them durable.
